This day is for the benefit of riders AND non-riding spectators  
Riders will therefore need to be prepared for spectators to be involved and to offer constructive feedback as part of this process.

We expect this day to be very popular so we will where possible allot places to those who will benefit most, and we will try to get a spread of abilities / interests from various clubs.

Riding places will be allocated by February 18<sup>th</sup>, and a wait list will be kept

If you are posting this form, then PLEASE enclose a cheque now. It will not be cashed until your riding place is guaranteed.
